Any Spill Kit can be **manufactured to customer specifications** on request

Plug 'N' Dike (Cat No 90519), PVC Coveralls & Disposable Coveralls may be included in all kits if required

Please Note: The Contaminated Waste Disposal Bag is for temporary storage only

Used absorbents **MUST** be disposed of in compliance with local EPA or Government regulations. Fluids absorbed by the absorbents will **NOT** be rendered less hazardous or less flammable when absorbed, but will remain in their original state. Therefore handle Socks, Pads & Pillows after use, with the same caution as you would the original contaminant.

WARNING : CUSTOMERS SHALL CONDUCT THEIR OWN TEST TO DETERMINE THE SUITABILITY AND THE FITNESS OF THE PRODUCT FOR THE CUSTOMER'S INTENDED USE
